

## Optometric Staff Program (OSP)

The British Columbia Association of Optometrists (BCAO) has a program for staff who are working in an optometric practice and sponsored by a BCAO member optometrist. The program provides a variety of benefits and perks, as well as useful continuing education and access to valuable optometric resources. Enrollment is open to all optometric assistants, opticians and office staff.

**OSP fees are based on the number of participants in the optometric practice.**

OSP Fees (plus applicable taxes)	
1 – 2 staff in a practice	\$25.00
3 – 5 staff in a practice	\$50.00
6 or more staff in a practice	\$75.00

Enrollment in the Optometric Staff Program provides several benefits:

- Continuing education opportunities and discounts on the Annual Conference
- Access to timely news about the issues and developments that affect optometry
- Electronic newsletter and eNews including Billing Tips
- Networking opportunities
- Access to the “members only” section of the Association website, including the Occupational Vision Plan (OVP) website company inserts
- Opportunity to provide articles for newsletters, help out at conferences, suggest speakers and/or topics for conferences
- Eligible to join mid-year

Join us from February 20 – 21 in Vancouver for the BC Doctors of Optometry 2016 Annual Conference & OPTOFAIR at the Westin Bayshore!

Receive regular eNews and also have access to the “members only” section of the website, where you can access the bi-monthly newsletter (OD Insider), and other current industry news and resources. In order to receive email broadcasts from the Association, please be sure to include an email address for each OSP applicant.

If you wish to enroll in OSP, 2016 fees are payable no later than January 30, 2016.

Please complete the enclosed form and return to the Association office, along with your credit card number or cheque payable to the British Columbia Association of Optometrists (BCAO). Enrollment in the OSP must be renewed annually.
