PRESIDENT'S MESSAGE

Dear Doctors of Optometry,

Welcome to our 2018
Fall Symposium!

The Fall Symposium offers a wonderful opportunity to obtain important and relevant Continuing Education, while reconnecting with our colleagues and friends.

This year, we are so pleased to welcome Dr. Andrew Mick as our primary speaker. This year, the symposium focuses on “retina” and will feature Dr. Andrew Mick, an associate clinic professor at UCSF Department of Ophthalmology and UC Berkeley School of Optometry. Please join me for an engaging day of lectures, peer circles, buffet lunch, and the College of Optometrists’ Annual General Meeting.

We are pleased to offer an exciting program once again this year, and I look forward to seeing you all for a full day of learning. I hope you will register early and encourage your colleagues to join you.

Sincerely,

A handwritten signature in black ink, appearing to read "Johnathan Lam". The signature is stylized and fluid.

Dr. Johnathan Lam
President, BC Doctors of Optometry

SYMPOSIUM PROGRAM

Core Stream

7:45 – 8:30 a.m.

Buffet Breakfast & Registration

8:30 – 10:30 a.m.

2 CE | COPE ID: 58334-PS

Retinal Manifestations of Systemic Diseases and Drugs – Dr. Andrew Mick

Many systemic diseases and the drugs that treat them affect the retina. The course will assist the eye-care professional in recognizing characteristic clinical findings and correlating them with the correct underlying systemic condition or medication. Further, it will review the evidenced-based management of these challenging cases.

10:30 – 10:45 a.m.

Refreshment Break

10:45 – 11:45 a.m.

1 CE | COPE ID: 59000-PS

Diabetic Retinopathy, AMD and Cataract Considerations with Retinal Disease – Dr. Kaivon Pakzad-Vaezi

In this course we will review diabetic retinopathy screening and treatment updates, review AMD classification and treatment updates and cataract considerations in patients with retinal disease.

11:45 – 12:45 p.m.

1 CE | COPE Approval Pending

From the Periphery to the Macula - How to Combine Wide Field Retinal Imaging and OCT in Retinal Disease Management – Dr. Henry Reis

A case study review of progressive medical optometry perspectives in retinal disease management. Using the latest innovation in ultra wide retinal imaging and OCT, this course will examine disease management in retinal detachment, AMD, Diabetic Retinopathy, among other common retinal conditions encountered in clinical practice.

12:45 – 1:45 p.m.

Buffet Lunch

Stream 1

1:45 – 3:45 p.m.

2 CE | COPE ID: 58333-PS

The Vitreous: Friend or Foe? – Dr. Andrew Mick

The vitreous plays an important role in the normal structure and function of the eye. Optical coherence tomography has shown that the vitreous causes several common macular pathologies. Posterior vitreous detachment continues to result in devastating retinal detachments. An understanding of the pathophysiology and appropriate management of these vitreous-related disorders will be reviewed in an evidence-based manner.

Stream 2

2 CE | College ID: 10142018-OH-2GO-22

College of Optometrists Peer Circle

Small-group learning approaches are gaining ground in continuing medical education within Canada and abroad. Peer Circle is designed to give optometrists the opportunity to learn while working with colleagues to identify and resolve quality problems relating to clinical care. Participants are randomly placed into collaborative groups of seven to ten professionals.

Optional

3:45 – 4:00 p.m.

Refreshment Break & AGM Registration

4:00 – 5:00 p.m.

No CE in accordance with current College Policies

College of Optometrists Annual General Meeting

This meeting is open to the public; however, only full registrants in good standing with the College of Optometrists of BC at the time of the meeting may vote.

COMMITTEE CO-CHAIRS' MESSAGE

On behalf of BC Doctors of Optometry, it is our pleasure to present the 2018 Fall Symposium program. We are very excited to share this excellent lineup of speakers for this event. Our core learning module features Dr. Andrew Mick as well as the valuable and interactive Peer Circle.

We would like to extend a thank you to our Corporate Partners, CE Committee members and Association staff, without whom this symposium would not be possible. If you have any suggestions or ideas on how to improve the Symposium for years ahead, we encourage you to fill out our survey or approach us at any time. We look forward to seeing you in Vancouver!

Sincerely,

Drs. Jenny Tsui & Petar Prpic
Continuing Education Committee Co-Chairs

TERMS & CONDITIONS

Payment

All prices are in CAD\$ and are subject to GST (5%). Our secure server will process Visa and MasterCard, and charges on your credit card statement will appear as British Columbia Association of Optometrists.

Prize Terms

To qualify for the prize outlined on page 5, you must be a BC Doctors of Optometry member, register online through Conexsys registration portal by September 28, 2018, and be in attendance at the Fall Symposium. Prize excludes those who only register for Peer Circle and/or College of Optometrists Annual General Meeting.

Schedule & Speaker Changes

Schedules and speakers are subject to change to accommodate emergent situations. Visit the website for speaker and schedule changes as well as other important updates. Delegates will also be sent notifications via email whenever possible or be informed through announcements on-site.

Cancellation & Refund Policy

A \$75.00 + GST administration fee will apply to all refunds. Cancellations must be in writing and submitted 30 days prior to the event for full refunds, and 29-15 days prior for 50% refunds. No refunds for cancellations will be made thereafter. The Association reserves the right to cancel this event or any part of the meeting due to unforeseen circumstances or to limit enrolments. Costs incurred, such as airline or hotel penalties, are the responsibility of the individual.

Course Registration & Attendance

Courses are limited by room capacities and admittance will be based on time of registration. The name badge provided in your delegate registration is required to be visible for entry into any course. Each course attendee's badge will be scanned upon entry and exit to verify complete attendance and continuing education (CE) credits will be electronically recorded. Course auditing is not permitted. All attendees are required to attend the full length of the course. Each registrant must attend a minimum of 50 minutes of each 1 hour to obtain credit. Anything less than the minimum requirement, the attendee will not receive CE credit.

Evaluation and CE Credits

Delegates will be requested to complete a course evaluation for each course attended. Delegates will receive the evaluation by email at the end of the event. Continuing Education Certificates will be emailed to each delegate within four weeks of completing the evaluation and uploaded to the ARBO OE Tracker Database. It is the delegate's responsibility to provide the Association with correct OE Tracker numbers upon registering. While we upload the credits to OE Tracker, please retain your certificate as it is the responsibility of the delegates to maintain their continuing education records for reporting to your appropriate College or Licensing authority.

Course Notes

Course notes (such that they have been provided) will be available for download prior to the event via email or by visiting the website.

Photo, Audio & Video Recording

Select continuing education courses may be audio recorded for future use. Please note personal audio and/or video recording of any presentation is not permitted and cannot be rebroadcast. All delegates accept that they may be photographed or video recorded during the event. Consent is hereby provided to the Association to use delegates' images by name or without, whether alone or with other persons, for the purpose of promotional or educational material, publications, on the Association website or any other form of media. All delegates waive any right to inspect or approve the image and to be compensated. Furthermore, delegates agree to hold the Association free and harmless from any claims when used lawfully within the scope described above.

Delegate Information

Delegates who sign up for a sponsor-supported course or event will have their names shared with the sponsor, post event.

Electronic Communication

Delegates who register for the Fall Symposium agree to receive electronic communications from the Association related to the current event along with other events.

Privacy Policy

The Association is the sole owner of the information collected on our websites. We do not sell, share or rent this information to third parties or partners, unless clearly indicated. The importance of security for all personally identifiable information associated with our customers and members is of utmost concern to us.
